The image is currently positioned at the bottom of the page using relative position, I want to move it to the bottom of another div that is inserted into the page content that I have done in my html. Here is the code: the cover div is the one in the bottom that I want to move. Here is the code for the javascript I want to use: var top_ratio = $('#promoarea').height() / $('#duckandcover').height(); var bottom_ratio = $('#promoarea').height() / $('#cover').height(); if (top_ratio > bottom_ratio) { $("#duckandcover").css({position:'relative'}); $("#duckandcover").css({top: '-66%'}); $("#promoarea").append(''); $("#cover_bottom").css({position:'relative'}); $("#cover_bottom").css({bottom: '50px'}); } else { 82138339de
