

Internet connection for activation. â€¢ DVD-ROM drive for installation from DVD (not required for installation from download). 6 I QUARKXPRESS 9.5 README.TXT [17] README.TXT is a documentation (documentation) file. It is an important file for a software program. The file readme file contains instructions that are used to help users when they are new to a software program or if they have been in a situation where they need help. When you start using a software program, you will find a document or two that are included with it. The documentation may be written by developer (author) of the software program, or it may be managed by someone else.
