Stronghold Crusader HD (c) Released by FireFly Studios: November 3rd. » The game features two separate storylines for each character, both of which are available at the beginning of the game. The third character, the Gurkhas, will appear later on, but they are not required for the story line and are apparently to be discovered by the player on his own. In the game's ending, the main character is revealed to have had some kind of an accident caused a genuine cure for the disease of the Gurkhas. Though it may sound silly, but for the first time in a series, the.
