This course is great and an absolute must-have before taking the PMI-RMP exam. A must-have for PMI-RMP candidates This course was essential for me to pass the PM

What's New in the?

Approved by the Project Management Institute (PMI) for the PMI-RMP exam. Why should I buy this product? This project management certification prep kit helps to get ready with a full range of practice questions, including multiple choice, logic and drag and drop questions. Who should buy this product? PMI-RMP: Project Management Institute - Risk Management Professional This prep kit helps to get ready for the PMI-RMP exam with a comprehensive exam-style preparation and a full range of practice questions, including multiple choice, logic and drag and drop questions. What are the sections in this product? This product covers all questions for the PMI-RMP exam in the following seven sections: 1. Verbal Reasoning 2. Quantitative Reasoning 3. Analytical Reasoning 4. Data Sufficiency 5. Logical Reasoning 6. Evaluation of Reasoning Ability 7. Problem Solving What are the types of questions in the product? There are four types of questions in this kit: Multiple-choice questions: These are in the form of drop-down menus, checkboxes, circles and radio buttons. Logic-based questions: These questions are based on conditional statements, scenarios and problems. Drag and drop questions: These questions are based on a workbook. The user drag and drop items over diagrams and bubbles on a worksheet. Mathematical/statistics-based questions: These questions are based on algebra, formulas, graphs and tables. What are the advantages of this product? This product has been written by certified PMI-RMP professional test authors for the PMI-RMP exam and is approved by the Project Management Institute. This product uses a unique verification process using advanced algorithms that analyses what we call test "patterns" or "trajectories." Each trajectory combines test questions that have been solved together and have a certain level of difficulty. If you have successfully completed a trajectory, your performance on a similar trajectory in the future is a "self-fulfilling prophecy," a "virtuous cycle" for your exam performance. uCertify PMI-RMP: Project Management Institute - Risk Management Professional Advantages: 1.Easy navigation 2.Shows correct answers on the screen 3.Shows the correct steps to validate an answer 4.Manual validation 5.Save and load 6.Detailed scoring for each question
