Alecia Hillman 5 months 3 weeks ago #252013Wow i really loved it,it was like so weird but i just loved it to watch it and click,and it just seemed to go on and on.When i was playin it u know when u click and the game seems to

---

stop like a cut off, and i click through it and then it really does go on and on like a forever scene that i dont think i have ever watched, but it seems like it never stops, anyways i just hope u go on forever and the parts after the cut off, so i can keep watchin it and clickin through it and then i can watch the game i just started. Also I was kinda nervous when i got on the plane since my boyfriend was taking me. So i just wanted you to know how i felt when i watched all the details and the next part is the plane and everything, like, i think i cried because i was like " she did this to all of us." I love it. NBT" who I thought was a male in the back with the other person with the red hair. Thanks for this, this is one of the best things I've ever seen. Whoever did this, please get a life and do it again!!!

11/9/09 The present invention relates to a method and an apparatus for producing a composite structure including a metallic part having a metallic surface layer and a plastic part. Such composite structures are known in the art. One example of a composite structure is a liquid crystal display panel. Liquid crystal display panels are widely used as displays for vehicles, electronic equipments, etc. The

---

general construction of a liquid crystal display panel is shown in FIG. 1. Referring to FIG. 1, a liquid crystal display panel 1 includes a liquid crystal display part 13, a metallic support part 14, and a fixing part 15. The liquid crystal display part 13 is formed of a liquid crystal cell
