Thanks guys, only two achievements still left, I'll try to unlock them as soon as possible. SPOILERS! If you want to avoid spoilers, don't read until I say "it's okay". Spoiler: I got the Celestial Dreamer achievement. There is probably a way to do it, but I'll have to think and post it if I succeed! Also, I got the "Mysterious Man" achievement, although I had to start from the previous games. I had to go through all of them, and then I had to make sure every event I did in the previous games remained in the same order as before. I'll get the "Mysterious Woman" achievement for that if I succeed. Last edited by Heileen on Sun May 21, 2014 5:05 pm, edited 1 time in total. Heileen 3

Time to admit the damage: Nobody can read a map. And that's really screwed up. Announcing ye olde in-game map for Truck Noob: Top left and bottom right hand corners direct you to the "next" stop, naturally. Top right hand corner tells you where you want to be. Regardless of course. And the bottom right hand corner? Lookit the eyes it is drawn with, honey. It's drawing you to where you want to be, too. Anyway, I'm off to pee and try to not die or step on ants or whatever. P.S., you guys that know stuff and are yet to show up in the thread: here's the link. Yes, that is a turnpike with a giant car. That is the exact same turnpike. We went all the way from here -- [**
