There are 10 classes of Heroes in the Elden Ring Game, six of which are members of the Great Kinship. The Great Kinship consists of the Lion's Ward, the Gobelin Robe, the Staff of Law, the Whale and the Lizard. Each Great Kinship has their own specialized leader. You can raise your own Great Kinship or participate in one of the three Kinship Quests and help your leader and other members of the Great Kinship fight against the Demon King Grumpelstiltskin and his army. CHALLENGE THE DEMON KING GRUMPELSTILTSKIN. You can complete the quest in a different order and even change the composition of your Great Kinship from time to time by raising more members or changing your leadership. Complete the online quests and obtain the power to succeed in the online matchmaking system. Practice a variety of strategies and use the in-depth battle system to perform a variety of special maneuvers and learn special skills. Form your party. The choice of the party's members affects its effect. Learn the ropes of the online battle system by completing a variety of missions. Features Key:

Easy to Play for Anyone
A Tactical, Melee System
Strategic, Linear Gameplay
A Wide Range of Highly Customizable Controls
A Panoramic, Free Roaming Experience
A Variety of Attacks with a Dynamic Master Sway
Strategize Enemy Deployments
A Fierce Competitive Subculture

Key Features:

- World:
- Humans have lived on the Lands Between for millennia. There are many races, such as humans, elves, fylgies, dragons, trolls, and many others. Each race has its own culture, values, and traditions. The character of each race and kingdom has been shaped differently over the course of time. Each race has its own unique land and its own society. Many players have a love for storytelling and view the game as a source of inspiration. Well done, each race is rich in its own way.
- The Tale of Elden:
- A lot of fans are certain that they have read or heard the Lord's Book before and jumped into the game without even watching the prologue story. Although the game began on a strong footing, it is still yet to be resolved as to whether the Lord's Book was simply making promises it couldn't keep and wasn't intending to follow through with. What is for certain is that the prologue does contain elements of joy, history, and tale of the Elden Ring. There are elements that players have picked up on and even some elements that can be found in certain books and audible recordings of the Lord's Book.
- Story:
- Other strange characters appear, challenging the players who diligently seek the power of the Elden Ring. The story will be shared through an increasing number of books and guided recordings.
- Deck:
- Of course this game is a game of chance. Whether you want to compete with other players on the leaderboards or test yourself in the Grand Champions tournament, there are many different ways to level up your characters.
- Companions:
