[QUOTE=nttraveler;852307]I'm thinking about doing this right now, do you think it will work? souschef, , , Forget about it. It is almost impossible. You will be concentrating on getting the oven hot with the broiler on. The broiler will take the oven's heat and use it. You will have nothing to do but watch the oven, and suffer. I have many friends who do this in restaurants, and they give their oven 3 hours to get hot. The broiler is like a little oven that is
