

The gripping story of Tarnished was first introduced in the “Unholy Night” scenario and continues in the “Under the Moonlight” scenario. • Tarnished’s Prologue The hero, Fadresia, and his young childhood friend, Skaldon, met each other by chance in the Lands Between. It is true that they have such a different worldview, they can hardly understand each other, but they want to help each other. However, they are unaware of the Elden Ring Crack Mac and the fate of the Lands Between. • Under the Moonlight Fadresia and his friends, Cerril and Rotnia, must cross the “Two Moons” to reach the “First Star” which will lead them to the Elden Ring Cracked Version. There, they will encounter many legendary monsters of the Lands Between. This game is a Massively Multiplayer Online Role-Playing Game (MMO RPG) in which you play a world and challenge your way to the top. Also, it is an action RPG game with excellent graphics and addictive gameplay. It is composed of basic MMO elements and strategy with a unique fantasy atmosphere. TECHNICAL FEATURES: Battle System: • Command a party of up to 8 characters. • Dynamic action combat. • Easy to learn, difficult to master. • Beautiful graphics. • Detailed character models that are easy on the eyes. The world of Jewel T&M: • A vast world in which to explore, including a “city of gardens” which gives you a warm feeling, and “wasteland” areas which are eerie and intimidating. • Three distinctive and filled-with-action locales. • “The One Ring” which is filled with secrets and is located in the midst of the Lands Between. • Challenging opponents and numerous quests are awaiting you. Magic: • An action RPG with excellent graphics and addictive gameplay. Magic is a powerful force that can provide you with great support as you battle enemies. • A wide variety of magic that has strong attacks and, as a result, can have great synergy with your party. • Magics are basically character-based and can be customized. • Many skills and even your battle skills are subject to change as you gain levels. • Customize your own individual magic, even changing the spell words. Levels:

What's new:

While Ghost of Tsushima: First Tech Test is not an online game, for those who like the online part of Ghost of Tsushima, we are working on patches adding attributes to improve the online aspects of our title. And the final release version of Ghost of Tsushima will include many improvements to the online game aspects.

Cloud servers are being used in development so we will be launching the title with an overwhelming demand, so please be patient and bear with us. No matter how much you like our game, we apologize for all the inconveniences.

As for installing now, simply download the Official H2D2Installer to auto-run, and pre-activate the key. We have also set up a free alpha test for testers who have previously registered on the non-public Google Play server.

Fantasy and action lovers, we welcome your feedback and your recommendation! We will continue making our game, with you by our side.

Thank you for your patience and support.

— Ghost of Tsushima Team

CHANGES AND IMPROVEMENTS IN UPDATE 1.5

After many months of waiting, we have updated Ghost of Tsushima for 1.5. Improvements include:

ATTACK EXPERT
