How do I do it? A: try: $url = $this->url(array('controller'=>'search','action'=>'details')); $this->redirect($url); But in order to accomplish this, I will need to know exactly what you want to sell, or whether you want to sell products to me or if you would be willing to act as an affiliate. Many of my larger customers are actually companies that have lists of products that they would like for me to sell. They would like me to get their products out on the Internet and then to market them to the general public. I have done this successfully. The products are sold through my online store. If you are interested in giving me the information, just email me back with your contact information.1. Field of the Invention The present invention is directed to a method for the production of a metallic, ceramic or ceramic-composite metal composite by combining powders of the starting materials and a pressureless or pressure-heating process are used. 2.
