House of Representatives and will give up his seat as a representative of District 6. But a spokeswoman for the Democrat's campaign said that Mims is already serving as a senator. Mims has been suspended from the House since Jan. 3. The House members will elect his successor in a special election Tuesday, Jan. 11, at 4 p.m. His wife, Susan, will replace him as a state representative, and he will become a state senator to satisfy the one-third requirement of the U.S. Constitution for a senator. "Ed Mims, in calling and announcing his resignation from the House of Representatives, will now serve as a state senator as of Tuesday, Jan. 11," said Mims campaign spokeswoman Lauren Groh-Wargo. "While Mayor Mims will serve out the remaining weeks of the general election campaign, he will not be taking any public campaign appearances or activity," she said. Election officials are placing Mims' name on the d0c515b9f4

Radioisotopes are used in diagnostic nuclear medicine, as well as in three therapeutic areas: medical imaging, therapy and radiopharmacy. Nuclear medicine physicians can use these techniques to detect and diagnose many diseases and conditions. For example, a disease commonly treated with nuclear medicine is hyperthyroidism. Nuclear medicine physicians can detect thyroid disorders, such as goiter and hyperthyroidism, and can also detect a tumor in the thyroid. This modality has opened the door to new research applications as well. Many nuclear medicine physicians participate in clinical trials that may have important benefits for patients. For example, radioactive tracers may be used to assess the uptake of medicine in the brain after

Dirk's Piano Tuner free download Every year Dirk's Piano Tuner works with distributors of musical instruments to make sure that the spare time of piano owners is not wasted. For people who like to have a quiet life, the Tunelab is a necessary tool to be hassled. If you, too, live a peaceful life, you, of course, prefer to tune your piano at home instead of renting it. ASHEVILLE, NC (AP) - The Carolina RailHawks will return to Raleigh for the first time in eight years after a series of three exhibition matches. Team president Curt Johnson announced Tuesday the RailHawks will host two games against the Charlotte Independence at WakeMed Soccer Park on Aug. 15 and 16. The RailHawks will host the Charlotte Independence on Aug. 6 at Sahlen's Stadium at WakeMed Soccer Park. The RailHawks will return to Raleigh on Jan. 6, 2018 for the inaugural match at WakeMed Soccer Park. The RailHawks played their only two exhibition matches at WakeMed Soccer Park in 1996 and '97. Carolina won each game, 3-2 on Aug. 15, '96 and 4-2 on Aug. 16, '97. --- More AP soccer: and synthetic analogs of N,N'-bis(4-chlorobenzyl)thiourea (TBP) with potential anticancer activity. A series of novel N,N'-bis(4-chlorobenzyl)thioureas were designed and prepared as potential anticancer agents. All of the synthesized compounds were evaluated for their cytotoxic activities against five human cancer cell lines (HeLa, A549, MCF-7, Lovo, and HepG-2). Most of the synthesized compounds showed cytotoxic effects against the tested cell lines. The results indicate that some of these compounds could be useful for further development.
