About the AuthorSunward Games was founded in 2005 as a small team of talented artists, designers, composers, programmers, and writers, interested in creating original games with a strong emphasis on visual aesthetics. After three years of hard work, the team managed to create its first original game, HOPA: The Enigmatis. Sunward Games continued its adventure in 2009, releasing the legendary game Grim Legends, a fantasy adventure game. The game was very well received by gamers of all ages and since then the entire team is hard at work creating new and bigger titles and/or sequels. Follow us on Facebook:

**Dress yourself in the armor of bravery as you face the perils of your fate, the realm that will shape you. Exiled from your home? Then your only course lies southward, to the cold dark lands of the north, where death and danger are only steps away, for those whose courage falters and their knees give way and their hearts are afraid. North is a 48-page 5E adventure for 4th-level characters that takes the heroes beyond the outposts of civilization, coming face to face with otherworldly beings and bizarre creatures and the fearsome powers they evoke. If your players balk at putting up a fight, then this is the adventure for them! If your players crave a true test of their mettle and faith in the face of godly and fierce foes and perils of all kinds, then this is the adventure for them. Will they fare well? The gods must answer for their path. The land must answer for its ways. The heroes must answer for their fealty. Manifests in a chaotic, explosive detonation. Darker, more sinister by far than his parents could have ever been. More powerful than any other born of the Silverleaf Line. A terrible child, a terrible doom, a terrible destiny that the Silverleaves could never hope to understand. Born of destruction, born from pain and grief, this is a tall, proud figure, filled with a dark, palpable power. Something which can be felt and tasted in the blood. You are the Raven's Shadow, Raven, brother to one of the mightiest of ancient planes. Your beloved parents, the Silverleaves, sought to bind you to their land, to their family, to their own suffering so that they might be free to control you. But they could never understand you, could never truly be your kin. And they cannot hold you now, Raven. Something has snapped in your skull and broken your soul. Your only way is to leave behind the Silverleaves, the ancient line of fey whose power has been corrupted. On your own, you are free from the Silverleaves, free from the House of the Raven. Free to travel the Nine Realms, free to forge your own path into the future. How will you escape from your parents? Where will you take your rightful place in the world? What will become of you now? Set out from your home in the South, where your parents were born, and make your**

In just over a year, the U.S. men's national team will take on Costa Rica, England, Mexico and Panama in the upcoming 2018 edition of the Gold Cup, which runs July 11 to July 26. Each match will be broadcast by beIN SPORTS, FOX, FOX Deportes, Univision, UDN and ESPN in the United States, with a further 75 countries also set to stream the games online. Assuming the United States book their spot in the final in Atlanta against Mexico, the team faces one of the most difficult pools in the competition. "Whether we're in the Hexagon, the Rose Bowl, or whatever, I think it brings so much more stature and credibility to the tournament for us," U.S. head coach Gregg Berhalter said. "We're playing games we want to play, in front of our fans. "I don't think that means that we have easier games, but those at the end of the year, in December and January, have the most
