Today I had an emergency on my flight so I decided I should try to get a few X-Plane patches while I was at it. As you can imagine, I got in a bit of an X-Plane Random Locomotion Dream Sequence where I thought I was being flown on an X-Plane 63A that was either an SR71 Blackbird, Convair 990 or an SR-71 Blackbird. The one I was flying on in my dream had the pilot in command display, entry door and most other features you would expect on all the SR-71 models except the RF antennas on the vertical stabilizer. It also had a video down-load display and small transparent speed monitor. I also couldn't get the cockpit separated from the body like I normally do so it was a bit disconcerting until I realized what I was seeing. I hit the ESC keys on the control yoke and woke up from this very memorable episode. In my dreaming, I decided to learn a bit more about X-Plane 11. After the airline lessons, I learned how to configure the list of Cessna's on X-Plane 11 that I originally looked up on the X

Survivor's chance? A new one's come to zombie-town. Nina comes all alone and with no weapons. So what do you think? Looking for fresh perspectives? Survivor's chance to have some fun! Survivor's lucky day and a game over comes in a second! Survivor's story begins! Created by one of our previous project TOTI and currently his newest sc-game. Survivor is based on the original twisted survival on the deserted island: survivors vs zombies. You play as Nina who was trying to survive in the zombie apocalypse and ended up in a lot of trouble. Now with the power of her iron heart she has to fight her way back to the above ground. Join Nina and try to survive to see the „other side“ of the zombie apocalypse. FEATURES Story continues in a new, completed game environment and a new art style Create your own character with a freeborn look Hardcore gameplay elements: hunger, thirst, obstacle course Imagine a post-apocalyptic world, where the environment and the island were destroyed. There is only „The Worm“, a being that could bring the „end of days“. Nina is the only survivor. She has no weapons and no team with her, but only the strength of her mind and a flare that has the power to keep herself alive in the endless plague. Nina's task: survive. Find yourself a way to get out from this last refuge, you have to choose the tools you want to use to fight and survive. Become a hunter of the zombies, a precision sniper with a pistol, a gal-pro driver or a demolishing torch-bearer? Maybe all these skills together can be a bit of a win-win for you, anyway?
