We are glad that we were given the opportunity to work with EA on bringing this FIFA franchise to a whole new generation of gamers.

What's new:

- **HyperMotion** For the first time, we're capturing complete, high-intensity football in-game moves on all 22 players who take the pitch.
- **Retro Player Kicking** Put yourself back in the game with the new Retro Player Kicking system, which features some of your favourite classic players from club to worlds.
- **FIFA Ultimate Team** For the first time, you can dive into the Pro League through our new FUT Tournaments.
- **Regional Expansion** Featuring new and returning leagues including the UAE Professional League, French Cup and Estonian Cup.
- **EA SPORTS Brand New Climacool** makes the coldest game on earth as cold as the game you know and love. Polar Bears and Winter FIFA, also available in the FIFA App.
- **New Play Control** Fully integrated with the new Face Off competition mode, new Play Control is split into cameras.
- **New Camera Placement** An 'intelligent' camera tracking system uses motion capture to predict where you, or your team mates, will be moving next. This allows the game to track and predict your next move - resulting in new and improved ball control and skill based moves.
- **Match Days** Offers flexibility for teams to create home or away matches according to their schedule. Every match on Career Mode counts forward to a match final and extra

time, and 'all stoppage time' is scored. Matches also can start on Friday or Saturday.

- **Mentions in the Ledger Get to know about your rivals and what's going on in the season cycles with the new mentions system.**
- **New Dribbling and Attacking Off the Ball and through opponents for the first time in FIFA. Players can now drive in on their left foot, get off a long pass on their right foot and new backwards dribbling throws will give you a direct and dangerous path to goal. In addition, our new artificial intelligence engine allows you to create a genuine dribbler, giving you exclusive skills like Forge Sprints to get past opponents.**
- **New Features and Improvements 33 new balls, including the improved Adidas Real Clean Pro**
