Download Omno PC Game For Windows 8 Four days after Alice stumbled out of a newly opened portal she found herself in a world of wonders. In that land, everything was also not what it seemed to be. It was a world full of wonder, beauty and adventure and the road for that was to be walked alone. In some places it was dangerous, in others like the realm of the genies it was the only way to the point where one would be needed. The entry to that lost world of wonders was a new portal opened not very far from the city she left. To this day, she knows that strange things happened to her on that day and she doesn't know what really happened to her and why she was there. She also doesn't know who is she really and where she really comes from. And who else was with her on that day? And now, there is the time to find out what really happened and she will have to do it alone. In

Omno: Prologue, this story will be begun. The game brings a graphical style inspired by 1920's European folk art, with the player free to explore the beautiful and varied landscapes, interacting with other characters and unlocking new areas. This is a story of a young Alice, in the early 1920s, making her way through an enchanted world. It will require players to make choices and face the consequences.
