I've thought about writing a book about my life growing up in Connecticut, and just how different it was from Southern California, and if I remember right (using my memory at its best) I heard that someone actually wrote such a book, but I don't remember the title, or author's name. Having said that, I was reading a lot of posts tonight that talked about how many people grew up in Connecticut and then moved to California, and vice versa. I'm sure it's not true, but it was the first thing that came to my mind when I read those posts. Hope everyone has a good weekend. God bless. -spyro87 6d1f23a050
