Read More Question: How to remove an item from a map in TF2 Hey!

The map I created has a "red sign" which is a marker (as in the screenshot above). Because of this marker, I deleted everything that was there. But now everything else except this marker is no longer displayed. But I don't know how to remove it from the map. Thanks anyway you can help me Question: TF2 - How to remove an element
Otherwise, if you add items to the map, you can use the "Deleteltem" element.
